

Capital Initiative

1st SME's
solidarity funds
in France!

Creation **C**risis
Growth **C**ession

**Because the company
support is Capital !**

Capital Initiative is a civic process of contractors
to support business and employment.

Creation

- Building assistance
- Funding research assistance
- Contractors sponsorship and support
- Equity participation

Growth

- Optimization and funding research
- Monitoring and assistance

Crisis

- Assistance to companies in difficulties
- Participation in the mediation of credit
- Acquisition of assets for rental

Cession

- Companies assessment and valuation
- Offer management of transfer and assumption
- Decision advice and support

A reactive team at your disposal
